

## Ministering Spirits of the Havona Circuits

*The Secondary Supernaphim* are the directors of the affairs of the ascending beings on the seven circuits of Havona. (26:2.4) There are seven types of these high angels, each of origin in one of the Master Spirits and in nature patterned accordingly. ...The angels of all seven created types function on all channels of activity open to their entire order, chiefly on the seven circuits of the central and divine universe. (26:2.5) According to their periodic assignment to the ministry of the ascending pil-

grams, secondary supernaphim work in the following seven groups:

1. Pilgrim Helpers
2. Supremacy Guides
3. Trinity Guides
4. Son-Finders
5. Father Guides
6. Counselors and Advisors
7. Complements of Rest

(26:4.2)

A pilgrim of space is always tutored by secondary supernaphim of origin in the Master Spirit who presides over that pilgrim's superuniverse of nativity. They are especially qualified to understand, comfort, and assist you in all your efforts to attain Paradise perfection. (26:4.3) Pilgrims arrive are disappointment proof and have only *perfection of purpose*. (26:4.6) The acceptance of sonship, co-operation with the indwelling Adjuster, is the price of evolutionary survival. (26:4.8)
